

Illinois Abortion Care

WeResistNow.org/flyer/abortion-il.html

Abortion is a constitutional right in Illinois.

Plan B is available as an emergency contraceptive and can be purchased from most pharmacies without a prescription. It is available at Costco for \$5, and you don't have to be a member. It is available from Amazon for \$8. You can stock up on Plan B, which has a shelf life of about 4 years. Avoid high heat & humidity in storage.

Mifepristone can be used to end a pregnancy during the first 70 days (10 weeks), can be prescribed by your primary doctor or Planned Parenthood once you are pregnant, is covered by most insurance plans, and can be prescribed via TeleHealth appointments. If you wish to stock up ahead-of-time, see PlanCPills.org for options, though you may have to pay out-of-pocket.

Planned Parenthood provides procedural abortions for up to 21 weeks and 6 days. Call 1-877-200-7745 or visit PlannedParenthood.org to schedule. Your primary doctor may also be able to refer you for care.

Beware so-called Pregnancy Centers. They often do not provide full health care options and are run by anti-abortion activists.

This is not medical advice. Talk to a Doctor.
