

Oppose discrimination against trans girls

Excerpts from Illinois Eagle article “US House passes anti-trans sports ban bill”

The GOP Child Predator Empowerment Act would force girls as young as four to answer invasive questions and be subject to physical inspections, one Democrat says.

Another Dem says “Protecting women in sports means preventing sexual and physical abuse, not forcing them to invasive exams to ‘prove their gender.’”

Another says “Once again, Republicans have proved that their obsession with attacking trans people trumps lowering the cost of groceries or investing in our schools.”

If you support this erosion of civil rights for trans people, you should learn more about them. See Changing The Game on Hulu.

Residents and parents can advocate for school boards to decline federal funding, to form co-ed sports leagues, and to restructure the budget to survive the loss of funding.
